I've waited so long for someone I can believe in
Someone like you, warm and understanding
I never knew love can make me feel this way
Then you came along and make my day-ay-ay-ay, ow!

You can get what you want from me
You're welcomed to all you see, ooh baby
I've got what you need
I can make you happy (whoo!)

Ahh! Love to me was just a passing thing
Then you came into my life,
Showed me what I've been missing
Ooh, let me love you, I'm always gonna love you
Ooh baby, let me love you the way I do-o-o-o, ow!

You can get what you want from me
You're welcomed to all you see, ooh baby
I've got what you need, ohh
I can make you happy

Ooooh... ooh-ooooh....
Ooo-ooooh...
Oww! Ow!

You can get what you want from me
You're welcomed to all you see, ooh baby
I've got what you need, whoo!
I can make you happy

Ooh, do, la, la, la, la, la, la, la, la
Ooh, do, la, la, la, la, la, la (it's yours)
Ooh, do, la, la, la, la, la, la, la, la
Do-do-do-do, boww..

Get it, get it, get it, get
Get it, get it, get it, get
It's yours
Get it, get it, get it, get
Do-do-do-do, boww..

Ow! You can get what you want from me
You're welcome to all you see, ooh baby
I've got what you need, ooh
I can make you happy

Ooh, do, la, la, la, la, la, la, la, la
Ooh, do, la, la, la, la, la, la (it's yours)
Ooh, do, la, la, la, la, la, la, la, la
Do-do-do-do, boww..

You can get it, you can get it, you can get it
Oh baby, it's yours (it's yours)
Get it, get it, get it, get
Do-do-do-do, boww..

Ow! You can get what you want from me
You're welcomed to all you see, ooh abby
I've got what you need, ooh
I wanna make you happy

Ooh, do, la, la, la, la, la, la, la, la
Ooh, do, la, la, la, la, la, la (it's yours)
Ooh, do, la, la, la, la, la, la, la, la
Do-do-do-do, boww..
