It's time to pick up the pieces
Let's start all over again
Let's try to forget about the bad times
I don't want our relationship to end
You and me, we can lie in the park after dark
And watch the stars in the sky
There's no reason why we can't make it, ooh, ooh, ooh

It's time to put it all together
We can do it, oh yes we can
We've got to pick up the pieces
Let's start by taking each other's pain
Can't you see you and me, we can be happy
There's still a chance for us
Let's try 'cause there's no reason why we can't make it

When I think of all the time we wasted
Ooh, it tears me apart
And all, all the bitterness we've tasted
It breaks my heart
Said I know, oh, yes I know I love you so
Ooh, baby

Let's start all over, there's a chance for us to pick up
the pieces
Let's start all over again, ooh, baby
There's a chance, a chance for us
Let's start all over again, we're in love
There's a chance, a chance for us
Let's start all over again, we'll be together
There's a chance, a chance for us
Let's start all over again, we're in love
There's a chance [it's time, baby], it's ti-i-ime [look at
your watch]
It's ti-i-ime [right now], it's ti-i-ime [I'm ready]
It's ti-i-ime [Are you ready?], 'cause it's ti-i-ime
It's ti-i-ime [ooh, now], it's ti-i-ime [it's our lives]
There's a chance, a chance [it's time now, honey]
Let's start all over again [right now], we're in love
There's a chance, a chance for us [you know it's time]
Let's start all over again, ooh, baby

There's a chance, a chance [right now, honey]
Let's start all over again, we can make it
There's a chance, a chance for us [ooh, it's time]
Let's start all over again, we're in love...
