Climbing up the mountain  
In the presence of  
Anger, pain, and hunger  
The trek is never done

I'm not from, this time and place  
I'm not of the human race  
I've been watching till this time  
My arrival is no crime

Eyes perceive the sigil  
Shown upon my chest  
The penance bearing reapers  
Reject Lord Vulcan's quest

Oh...Oh...OhOh.....  
Fear beyond the vision

Approach all who have gathered  
With mesmerizing eyes  
There's no one that can see him  
He's telling many lies

I will be his servant  
But imprecate his word  
No sign of magic power  
No act of treachery

Learning all his evil  
He weakens to my trust  
As I plot my overthrow  
His death becomes my lust

Oh...Oh...OhOh.....  
Fear beyond the vision

My army stand awaiting  
They won't make it through  
The prophecy that I possess  
Tells me what to do

Oh...Oh...OhOh.....

Fear beyond the vision
