Becon the crucifix  
Behold now show the sign  
Hate your enemies  
A tongue of fire  
The flames of hell unleashed

Open the gates  
Of the infernal empire  
Break away from all your  
Convictions  
Believe in what's best for you  
Within the flesh  
The carnal desire  
Within the soul  
Woe onto them  
Without pity  
Death defiant  
A standing menace  
To all  
That is true  
Pontius Pilate  
He washed his hands

Did you know  
How to sell your soul  
Do you know  
How you lost control  
Sorrow and suffering  
Served with temptation  
What you need is  
Aggravation  
Becon the crucifix  
Behold now show the sign  
Hate your enemies  
A tongue of fire  
The flames of hell

Hell Unleashed  
Hell Unleashed  
Hell Unleashed  
Hell Unleashed

[Guitar solos]

Keep your friends  
Close  
Your enemies  
Closer  
The four crowned  
Prince  
The betrayer  
Of man  
Keep your friends  
Close  
Enemies closer  
Challenge the wisdom  
Of his  
Thorn torn brow  
Within the flesh  
Carnal desire  
Within the soul  
Woe onto them  
Invocations  
In the brains  
Of those  
Who's respect you  
Have gained
