Human Factor  
Human Factor  
Human Factor

Wear your face  
For what's really inside  
Some people will never  
Learn anything  
Because they think  
They know everything  
Envy is a moth  
To the heart  
Envy is a canker  
Of thought  
Your slanders  
A short cut to thinking  
But your slack hand  
Never gave the world a thing  
Anything

Is your glass  
1/2 empty  
Or is it  
1/2 full drink it up  
Fan the fire  
Like the wind  
Virtue is a bait  
For fools, fools  
Be not quick  
To take offence  
Anger is a foe  
To sense  
Hands of the clock  
Never stop  
Wishes never  
Filled the cart never nothing  
What a tangled  
Web we weave  
When we  
Practice to deceive

Human Factor

Human Factor  
Human Factor

The death of the snake  
Was closer to fate  
Egos play games and  
Love to hate, hate  
Charter member in the  
Fraternity of  
Broken dreams  
Windows of your soul  
Open into the void  
If it's the work of  
Human hands  
What man has made  
Man can destroy

Do you know  
What your after?  
Or are you  
Caught up in the  
HUMAN  
FACTOR?
