[Music - Dave]

[Lyrics - Ron]

Take a trip, down lover's lane

Take that trip, it's time to play

Adult entertainment, you must be of age

Come and get wild, climb out of your cage

XXX

Triple X

You feel like your under the spiked heel

The crack of the whip brings great thrills

She soars to heights loves her delights

The foreplay is gone, the seduction is on

She's the ultimate pro who puts on a show

As she had me tied she moleste my mind

Exciting herself, I could have cried

Now I know, she loves to be wild

XXX

In her pants

[SOLO-Dave]

[SOLO-Ben]

You took a trip down lover's lane

Now you're gone, you wont be the same

Cinema fantasies, night clubs and shows

All the women, you never can know
