Hell, bless this nightmare
This Unforgivable sin
Words of deception
Tears the soul within
Death impale will call out
Slaughter of all your sins

With broken wings IÃfÃ,Ã,Ã´m falling down
fall onto your knees
An angels death from heaven roars
That burning carcass crumbles
IÃfÃ,Ã,Ã´m falling!

Lord of destruction
Made of blood and bones
Hatred without ending
Blessed by the throne
Death impale is rising
Slaughter of all your souls

With broken wings IÃfÃ,Ã,Ã´m falling down
fall onto your knees
An angels death from heaven roars
That burning carcass crumbles
IÃfÃ,Ã,Ã´m falling!

Time is streaming slower
Death upon us all
A churchbellÃfÃ,Ã,Ã´s mourning chime
Blood upon the wall
Death impale is rising
Slaughter of all your sins
Death is called the reaper
With schyte he slays us all

With broken wings weÃfÃ,Ã,Ã´re falling down
now fall onto your knees
These angels death from heaven roars
that burning carcass crumbles
A darkened grave is all thatÃfÃ,Ã,Ã´s left
a memory in stone
A blackened dawn is coming now

Apocalypse will kill us

We're dying now!
