She at my show, sitting front row
Holding up a sign, screaming she's my number one
As I look close begging for me to my intention
And I plan to do it (yeah)
She's so original, (ooh hoo) in her approach
She knows everything there is to know about me
Something about this girl
(Ah ha) makes me wanna dedicate this song to you
Baby this one is out for you

I wanna be everything you seek
I wanna bring your chance to life
Rockstar (shorty), rockstar (shorty), rockstar (shorty)
(only for you)

And even though you're still front row
There's a better seat in the house
Girl you know what I mean
Right here, right next to me
There's no pressure it's an open invitation
(Ah ha) know what you want
(Ah ha) baby come on
(Ah ha) so I can get some one on one with you
(Ah ha) you ain't gotta be shy
(Ah ha) ain't this really what you came for
Girl here I stand

I wanna be everything you seek
I wanna bring your chance to life
Rockstar (shorty), rockstar (shorty), rockstar (shorty)
(only for you)

What's with all the hesitation
I'm all alone don't keep me waiting on you (on you, on
you)
On you (on you), for you
So hurry up get over here

I wanna be everything you seek
I wanna bring your chance to life
Rockstar (shorty), rockstar (shorty), rockstar (shorty)
(let me preform for you)

I wanna be everything you seek
I wanna bring your chance to life
Rockstar (shorty), rockstar (shorty), rockstar (shorty)
(only for you)

I can be your rockstar,
Your rockstar (your rock)
