Bring me in,
Wrap your arms around my body closer,
Keep me up,
through the night,
As it grows colder,

And sing this song,
of our love,
heating up the night,
we're alive,
let me give you wings so you can fly,

We'll get high,
up above,
making love on the sky,
All night,
up above,
making love through the night

We'll feel alright,
we'll feel okay,
lets make this feeling stay,
We'll feel okay,
we'll feel alright,
I'm gonna make you fly

Tonight.
Tonight.
Tonight.
Tonight.
(x2)

Spend my days,
Wrapped up in some clouds,
and lonely white walls,
In a haze,
Helping me forget about my problems,

in the night
I'm floating above some ceilings
you and I
sharing feelings with the real things

We'll get high,
up above,
making love on the sky,
All night,
up above,
making love through the night

We'll feel alright,
we'll feel okay,
lets make this feeling stay,
We'll feel okay,
we'll feel alright,
I'm gonna make you fly

Tonight.
Tonight.
Tonight.
Tonight.
