So maybe I should leave,
Maybe I should stay,
Maybe we're better off that way.
Maybe I should leave,
Maybe I should stay,
Maybe we're better off that way.

But it's the moments that we're here together,
The moments that we're here.

And they can't take,
You away,
From me,
From me,
From me,
From me.

I know you got a boyfriend girl,
I know you got a boyfriend girl,
But maybe we can be friends girl,
Maybe we can be friends girl.

Maybe I'm a heart breaker,
Maybe I'm a home wrecker,
Maybe I'm a heart breaker,
You tell me.

They can't take,
You away.

So, maybe this should stop,
Maybe this should end,
Maybe your love is just pretend.
Maybe you should leave,
Maybe you should go,
Maybe you're better off alone.

But it's the moments that we're here together,
The moments that we're here.

And they can't take,
You away,

From me,
From me,
From me.

I know you got a boyfriend girl,
I know you got a boyfriend girl,
But maybe we can be friends girl,
Maybe we can be friends girl.

Maybe I'm a heart breaker,
Maybe I'm a home wrecker,
Maybe I'm a heart breaker,
You tell me.

I know you got a boyfriend girl,
I know you got a boyfriend girl,
But maybe we can be friends girl,
Maybe we can be friends girl.

Maybe I'm a heart breaker,
Maybe I'm a home wrecker,
Maybe I'm a heart breaker,
You tell me.
