My secret valentine
If it was up to me
I would hold you in my arms
Me and my valentine
I go where ever you are
If it was up to me
I would take your tears away
I'd take the blame
I'd pick all the right words to say

If it were up to you
Would you do
everything you could do
So the night when we change
I just pray if it was upto you
you would feel the same way

After all this time
would you still be mine
if we press rewind
would you still be mine
my secret valentine
(2x)
My secret valentine
My secret valentine

If it were upto me
I'd be all that I could be
I'd take the fall just as our
As you sit here with me
If it were me (yeah)
i swear well be just fine
me and my valentine

for you i put it on the line

if it were upto you
would you say
you love me too?
Im so confused
Can you tell me soon
Do you feel the way I do?

After all this time
would you still be mine
if we press rewind
would you still be mine
my secret valentine
(2x)
My secret valentine
My secret valentine

As time goes by
Only you are on my mind
If we could turn back time
if we could press rewind
will you still be my secret valentine?

After all this time
would you still be mine
if we press rewind
would you still be mine
my secret valentine
(2x)
My secret valentine
My secret valentine

Will you be mine?
