So once again I'm swimming in melody
And I can't sing past
My wrote up pains and feed are the remedy
Tied to the tracks

Cause everyone here is a vampire.
Sucking the life out of me.
Everyone here's got their demons.
I traded mine in for a dream.

I'm falling out of her world
And going out of my mind.
I'm wide awake and I'm searching for answers now.
Where did you go?
If I'm my own worst enemy,
I'm ready to fight till the death of me.

Now and again I'm airborne in melody
And I can't sing past
Your blurry hands are waving in front of me
I'm spinning way too fast

Cause everyone here is a vampire
Sucking the life out of me.
Everyone here's got their demons.
I traded mine in for a dream.

I'm falling out of her world
And going out of my mind.
I'm wide awake and I'm searching for answers now.
Where did you go?
If I'm my own worst enemy,
I'm ready to fight till the death of me.

Everyone here's got their demons.
I traded mine in for a dream.

I'm falling out of her world
And going out of my mind...

I'm wide awake and I'm searching for answers now.

Where did you go?
If I'm my own worst enemy,
I'm ready to fight till the death of me.

If I'm my own worst enemy,
I'm ready to fight till the death of me.
