#### Verse 1:

As I look at all you've made all creation  
I can't help but be amazed.  
And if my voice should ever fade into silence  
The very rocks would sing your praise  
for everything you gave

#### Chorus:

You have given me love  
more than I can ask for more than I could need  
You have given me hope  
when I have forgotten all you've given me  
All you've given me

#### Verse 2:

Everywhere I turn I see your love and mercy falling  
Your grace is much more than enough  
And I guess you've given us more than  
anything  
that we are worthy of than I am worthy of

#### Bridge:

Oh yeah  
All you've given me  
all you've given me  
all you've given me  
all you've given me

#### Breakdown:

You have given me love  
more than I could ask for  
more than I could need  
you have given me hope  
when I have forgotten  
all you've given me, hey hey hey

#### Chorus:

You have given me love  
more than I can ask for more than I could need  
You have given me hope when I have forgotten  
all you've given me  
All you've given me
