It's six am. don't wanna wake up
'I always try to make it ok
I know that at the end of the day
You gonna be there
'

If you stand by me
'

Baby you will stand by me
You will stand by me
'

Only if stand by me
Stand by me
Stand by me
Ooh yeeh
I don't wanna go home
'all night long
Ooh ooh
'I always try to make it ok
I know that at the end of the day
You gonna be there
'

If you stand by me
'

Baby you will stand by me
You will stand by me
Only if stand by me
Stand by me
Stand by me
Ooh yeeh
I'm a player
I wanna be your king
'

If you stand by me
'

I can find a way
Ooh ooh
If you're by my side then I'll be ok
Baby you will stand by me
You will stand by me
