(Run away) x8

I'm, I'm a monkey
Frozen, in my, monkey dreams
It's time, time to monkey
Lost, in our monkey sleep

(Run away) x8

I'm, I am monkey
Sleeping monkey and me
Sight, sight such a monkey
Grown up, in my, monkey dream

(Run away) x8

Tell me what you want me to be, I can be it
I can be a battle cry and make a mean face
Listen for me coming with my army of twists
I can be a lover if a lover's shoe fits

Tell me what you want me to be, I can be it
I can be a battle cry and make a mean face
Listen for me coming with my army of twists
I can be a lover if a lover's shoe fits
