

Matthew Morrison

"Hey"

Visit "[Hey](#)" on MotoLyrics.com

I wonder if she's here with someone
A girl like that can get attention
I could just go walk in her way
All I've got to do is figure out
The words I need to say

Ooh, ooh, I just need an introduction
Ooh, ooh, I keep coming up with nothing
Ooh, ooh, why do I lose my voice and choke
When all I wanna say is

Hey, hey, I gotta be with you and
Hey, hey, you're beautiful in every way, way
So what I need to say is hey, hey
And change the world in a day

In your eyes I see you're lonely
Look at me, I want you only
We belong together, this I know
Just gotta find the words to tell you so

Ooh, ooh, I just need an introduction
Ooh, ooh, I keep coming up with nothing
Ooh, ooh, why do I lose my voice and choke
When all I wanna say is

Hey, hey, I gotta be with you and
Hey, hey, you're beautiful in every way, way
So what I need to say is hey, hey
And change the world in a day

I have my lines and story said
You look at me and I forget
Thoughts are running through my head
Jumbled up and left unsaid

Ooh, ooh, I just need an introduction
Ooh, ooh, I keep coming up with nothing
Ooh, ooh, why do I lose my voice and choke
When all I wanna say is

Hey, hey, I gotta be with you and

Hey, hey

Ooh, ooh, I just need an introduction
Ooh, ooh, I keep coming up with nothing
Ooh, ooh, why do I lose my voice and choke
When all I wanna say is

Hey, hey
So what I need to say is hey, hey
And change the world in a day
