Hey there, you with the stars in your eyes
Love never made a fool of you
You used to be too wise

Hey there, you on that high flying cloud
Though she won't throw a crumb to you
You think some day she'll come to you

Better forget her
Her with her nose in the air
She has dancing on a string
Break it and she won't care

Won't take this advice
I hand you like a brother
Or are you not seeing things too clear
Are you too much in love to hear
Is it all going in one ear and out the other

Better forget her
Her with her nose in the air
She has you dancing on a string
Break it and she won't care

Won't you take this advice
I hand you like a brother
Or are you not seeing things too clear
Are you too much in love to hear
Is it all going in one ear and out the other

Hey there...
