I have often walked  
Down the street before,  
But the pavement always  
Stayed beneath my feet before.

All at once am I  
Several stories high,  
Knowing I'm on the street where you live.

Are there lilac trees  
In the heart of town?  
Can you hear a lark in any other part of town?  
Does enchantment pour  
Out of every door?  
No, it's just on the street where you live.

And oh, the towering feeling  
Just to know somehow you are near  
The overpowering feeling  
That any second you may suddenly appear.

People stop and stare  
They don't bother me,  
For there's nowhere else on earth  
That I would rather be.

Let the time go by,  
I won't care if I  
Can be here on the street where you live.

[Interlude]

And oh, the towering feeling  
Just to know somehow you are near  
The overpowering feeling  
That any second you may suddenly appear.

People stop and stare  
They don't bother me,  
For there's nowhere else on earth  
That I would rather be.

Let the time go by  
I won't care if I  
Can be here on the street where you live,  
I'm here on the street where you live,  
On the street where you live.
