"Slaves To The Grind"

Visit "[Slaves To The Grind](#)" on MotoLyrics.com

Pulling the weight
On our shoulders
Finding the strength
The lost will power

Turning the wheel
Panting for new air
Accepting the deal
Staying strong for the slaves

Slaves to the grind

Pushing forward inch by inch
A slow and painful process
Harder and harder, even faster
A great and wonderful progress

We're pulling the weight
We're turning the wheel
We're slaves to the grind

We're finding the strength
We're accepting the deal
We're slaves to the grind
