[Music & lyrics: Anders]

Speak! Aren't you gifted with a voice?  
Do you choose to shut your mouth?  
Are you tongue-tied or is your tongue way up in  
someone's ass?

You're a piece of shit in a three-piece suit  
Shifting papers 9 to 5  
You're a silent one in a world of noise  
Sucking up by sucking ass

Speak!

You're a piece of shit in a three-piece suit  
Shifting papers 9 to 5  
You're a silent one in a world of noise  
Fucking up by fucking us
