[Music & lyrics: Anders]

Do you believe in equal rights?  
Do you believe in equality?

The flames of the truth...

The flames of the truth  
Are licking your face  
Burning your skin  
Just as they should  
Your ignorance  
Will lead you into the fire  
The flames burn higher!

Do you believe in freedom of speech?  
Do you believe that everyone can speak?

The flames of the truth...

The flames of the truth  
Are licking your face  
Burning your skin  
Just as they should  
Your ignorance  
Will lead you into the fire  
The flames burn higher!

You live a simple life  
So far away from being real  
You live to simplify  
The easy way out that is your idea

You suck...

Do you believe that you can change the world?  
Do you believe that something will change?

The flames of the truth...

The flames of the truth  
Are licking your face

Burning your skin  
Just as they should  
Your ignorance  
Will lead you into the fire  
The flames burn higher!
