Wake me up,when the rain's gone
and fill my cup with alittle
cream and sugar,I'll sober up when
the pain's down and fill my cup
with alittle whiskey

Oh shame,shame on me,I broke my
baby once again

I messed up got alittle careless,
lost your trust,now we got nothing,
so tear me up with your guilt trip and fill my cup with
something cold
and bitter

Oh shame,shame on me,I broke my
baby once again,yeah,Oh shame,
shame on me,I broke my baby once
again (oohh-oh-oh...)

Oh shame,shame on me,I broke my
baby once again,Ooohoh shame,shame on me I broke
my baby once agian
