Been wracking my brain of this  
slingin' out my wits and then it seems I always miss  
I think I got a heart now and i'm ready to reach out  
again  
at the risk of my dismissal

Well I can make it happen  
I know i've been thinking 'bout moving on home  
Give all this life that I love to live with the love of my life  
Give it all willingly

Cuz i'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
Well i'm throwing my heart against the wall  
to see if it'll bounce back and love me again  
What a strange thing for a man to do,  
but it was something I needed to go through  
To be open to loving you

Cuz i'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
If I go through with this plan  
Then I can forgive myself someday  
Turning my back on this life I made  
Would I forgive myself if I stayed?

Keep telling myself it'll happen when it happens  
We aint getting any younger and i'm afraid it'll never  
happen.  
Cuz its the heart that makes the home  
and i'm bound to be all alone at least for awhile, dear.

So to save all this aching, or maybe it's my broken  
heart in the making  
But I just have to look at you and i'm sure what I wanna  
do  
Girl, I want to be with you

Cuz i'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool  
I'm a lovesick fool
