we're so hung up  
like tiny pictures  
sentimental  
remember when

we were heading  
for the ambush  
a convocation  
you let your tiger out

so (what)  
the territory  
of many guessers(???)  
is everywhere  
and anywhere  
you sign your name and so (what ) ...  
you get it back

let go of everything that you know  
don't hold back what you feel  
too cold, I got your hand tonight  
hand tonight, hand tonight

check, check it out,  
from you to neighbor,  
across the fader,  
and let your player out,

and it depends,

on many greater,  
high in number,  
now let that leader bounce,  
bounce!, huh!,

it washes over,  
its pushing forward,  
like ocean lawns(??)

and every guitar,  
they're covered you in song, huh!,  
You let your tiger out,

let go of everything that you know,  
don't hold back what you feel,  
too cold, I got your hand tonight  
hand tonight, hand tonight

meow, meow meow meow meow meow meow(x2)

Some kind of sound(?)  
Following a clue(?)  
Can be found  
and we're on ...on .... on ... on ... ooooooonnnn

I've got your hand tonight, hand tonight, hand tonight  
(X4)
