Holding hands as the sun sets
Stay with me 'till the dawn
Let's make tonight last forever
Let the music play on

(x2) Under the Latin moon
I'll be dancing all night with you
Beneath a blanket of shining stars
I'll spend forever in your arms

Let's take a walk by the ocean
Bare feet on the shore

'Cause I been waiting for so long
And I can't wait any more

(x2) Under the Latin moon
I'll be dancing all night with you
Beneath a blanket of shining stars
I'll spend forever in your arms

Under the Latin moon
I'll be dancing all night with you
Beneath a blanket of shining stars
I'll spend forever in your arms
