(1st Verse)

Remember the times when we were once all over each other..

I don't know what happened then

How did our love end?

I gave you everything I could

and now you got me wonderin'

does she know you?

Like I know you

Can she love you like I do?

(Pre-Chorus)

I can be the be better woman

Ima show you the way you need to be loved

I can give you everything you deserve

Boy you know that I'm all you need,

I'm the one baby can't you see

(Chorus)

I can be the sweetest girl in your life

If you would give me a chance

Boy don't you know that you're better with me,

So why don't you give me a chance

(2nd Verse)

I know I can clearly see

you're not happy like you used to be

Is it cause she's not treating you right?

Is it cause I'm not by your side?

So what would it take for you,

for you to come back to me

Can we go back to those days,

do we go our separate ways..

(Pre-Chorus)

I can be the be better woman

Ima show you the way you need to be loved

I can give you everything you deserve  
Boy you know that I'm all you need,  
I'm the one baby can't you see

(Chorus)

I can be the sweetest girl in your life  
If you would give me a chance  
Boy don't you know that you're better with me,  
So why don't you give me a chance

(Bridge)

I've been waitin' so long,  
I missed being in your arms my baby,  
I know life will go on,  
Please don't let it go without me

(Chorus) On repeat

I can be the sweetest girl in your life  
If you would give me a chance  
Boy don't you know that you're better with me,  
So why don't you give me a chance
