"Antiheroes"

People of another kind
Living in a different world
Memories of a broken time
Echoes in the universe
I will never let you down, ready for the final round
Turn the system in reverse, moving at the speed of sound

Fires are burning tonight
Antiheroes of the world
Whoa ohh oh, whoa ohh oh
Whoa ohh oh, whoa ohh oh

People of another kind
Living in a different world
Memories of a broken time
Echoes in the universe
I will never let you down, ready for the final round
Turn the system in reverse, moving at the speed of sound

Fires are burning tonight
Antiheroes of the world
Whoa ohh oh, whoa ohh oh
This is what we called my life
Antiheroes of the world
Whoa ohh oh, whoa ohh oh
Whoa ohh oh, whoa ohh oh

Whoa ohh oh, whoa ohh oh
Whoa ohh oh, whoa ohh oh
Whoa ohh oh, whoa ohh oh
Whoa ohh oh, whoa ohh oh
