Don't you mean like I'm broken
All these words unspoken
I don't wanna fade away
I'm holding on to yesterday
The wound is too open
The pain from you keeps poking
I'll be tryina find a way
To get this right back on my face

When tears come crashing down
Emotions are flooding, my words won't come out
Feels like I'm dying
If I can't save myself
Then who's gonna save me
I won't cry for help

I'll be unbreakable, oh yeah
I'll be unbreakable, oh
I'll be unbreakable

My heart's cold
No matter, if I fall
Won't shatter
Thought you got the best of me
But I'm not easy to defeat
I'm done with, the lies and
All your broken promises
Telling me to fall
But all that I'll do, survive

When tears come crashing down
Emotions are flooding, my words won't come out
Feels like I'm dying
If I can't save myself
Then who's gonna save me
I won't cry for help

I'll be unbreakable, oh yeah
I'll be unbreakable, oh
I'll be unbreakable
I'll be unbreakable, oh yeah

I'll be unbreakable, oh
I'll be unbreakable.
