I see you there when I close my eyesâ€|
 And I see you there when I close my eyesâ€|

You're shining in my eyes,
 Walking on my ocean,
 Sailing in my skies
 Every time I drift off.

You're shining in my eyes,
 Walking on my ocean,
 Sailing in my skies every time.

I see you there when I close my eyesâ€|
 And I see you there when I close my eyesâ€|

And I see you there when I close my eyesâ€|
 And I see you there when I close my eyesâ€|

Rain's coming down
 And I listen to the sound
 Of your voice in my head
 Like you've never been away.
 And it's all I can do
 I keep falling into you,

When my blood's running blue
Like a never-ending day.

Rain's coming down
And I listen to the sound
Of your voice in my head
Like you've never been away.
And it's all I can do
I keep falling into you,
When my blood's running blue
Like a never-ending day.
