I wanted to be with you alone  
and talk about the weather  
But traditions I can trace against the child in your face  
Won't escape my attention  
You keep your distance with a system of touch  
and gentle persuasion  
I'm lost in admiration, could I need you this much  
Oh, you're wasting my time, you're just, just, just  
wasting time

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart  
Don't, don't, don't throw it away (Throw it away...Throw  
it away...)

I made a fire and watching it burn (yeah)  
I thought of your future  
With one foot in the past now just how long can it last  
Oh no, no, have you no ambitions,  
My mother and my brothers used to breathing clean air  
And dreaming I'm a doctor  
It's hard to be man when there's a gun in your hand.

Oh, I feel soooooo...

Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart  
Don't, don't, don't throw it away

And this is my four leaf clover  
I'm on the line, one open mind, this is my four leaf  
clover

(La la la la la, la la la la la, la la la la la la)  
(La la la la la, la la la la la, la la la la la la)  
(La la la la la, la la la la la, la la la la la la)  
(La la la la la, la la la la la, la la la la la la)  
(La la la la la, la la la la la) In my mind's eye (la la la la

la la)  
One little boy, one little man (La la la la la, la la la la la)  
Funny how... time flies
