Get on board,
This train ain't gonna stop
Where I'm going? I don't know
You know, you know, you know
Wheels on fire,
Wings of nascent desire
Punch your ticket,
It's time to go

There's a force up around the bend,
That drives this engine heart

Are you with us or against us?
Are you with us or against us tonight?
It's alright
There's a matter of reckon in this fight
It's alright
Are you with us tonight?
It's alright, it's alright, it's alright!
Are you with us tonight?

Soon we'll fly
But on this eve we ride
A steel horse,
Tied to dirt
The words, the words, the words
No words will suffice
Against the sacrifice
For what is love, if not cause?

By misdeeds we'll scurry home,
Dust in breath and bone

Are you with us or against us?
Are you with us or against us?
Are you with us? Are you with us?
Are you with us or against us tonight?

It's a matter of us or them this fight
It's alright
Are you with us tonight?
It's alright, it's alright, it's alright!

Are you with us? Are you with us?
Are you with us or against us tonight?
Are you with us or against us?
Are you with us or against us tonight?
