Now what's that crazy rhythm coming from the street?
the sound of people moving to that latin beat
now this ain't Puerto Rico, this is London E18
everybody's welcome to my own dream

Everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
salsa, hey, salsa!

Carnival is moving, music in the air
everybody's grooving, dancing everywhere
spirit, not location, is the essence of our theme
why not come and join us in our own dream

And now see the pretty ladies, moving all around
looking super-sexy, all around the town
their smiles are so enticing, you wonder what they
mean
everyone's entitled to their own dream

Everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
salsa, hey, salsa!

Dance, sing, shake, swing, rock everybody to the new
found beat
I said dance, sing, shake, swing, rock everybody to the
new found beat
Can you move, can you move,
can you shake to the rhythm of the latin groove?
Can you move, can you move,
Can you shake to the rhythm of the latin groove?

(come on everybody and groove!)

So grab a little sunshine, brighten up your day
funky like a Cuban, the continental way
now Castro loved to salsa, cool dictator scene
why not come and join us in our own dream

Everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
everybody salsa
salsa, hey, salsa!
