Hammer pounding in my heart, I think it's gonna burst
Spring unwinding in my head, I don't know which is
worse

I hear you talking but the words are kinda strange
One of us is crazy and the other one's insane

Stay calm, don't be alarmed, it's just a holiday
Back at the Funny Farm

Nothing in this cold white room to help me recognize
I don't understand why everyone is in disguise
I gotta leave right now, I can't stay here no more
But I'm afraid to try in case they lock the door

Stay calm, don't be alarmed, it's just a holiday
Back at the Funny Farm

Can't find no windows but I gotta get outside
Can you help me stand it feels like both my legs have
died
What was that injection 'cause I think it's going wrong
I really like this jacket but the sleeves are much too
long

Stay calm, don't be alarmed, it's just a holiday
