Babe, you're dressed to kill tonight  
I get ahead of myself  
If you knew what you do to me  
You'll be with someone else

Jump back, be cool  
You make me feel like I'm back at school  
Make me crazy  
Crazy for you

Oh, you make me hot  
Come on, show me what you got  
You're moving slow, baby don't say no  
You move like a rattlesnake  
And I can't stand no more

Oh babe, you're gonna wreck my mind  
And I hope you do it all the time  
You better give it your best shot  
You know I'm crazy, crazy like a fox

Don't you turn your back on me  
You just make it worse  
You look just as beautiful  
When you're movin' in reverse

Come on, be nice, oh babe  
You're gonna wreck my life  
Make me crazy  
Make me jump all night

Oh, you make me die  
When I look into your eyes  
I'm moving in, I'm coming through  
You must be an earthquake  
'Cause I'm shaking in my shoes

Oh babe, you're gonna wreck my mind  
And I hope you do it all the time  
I love you're body 'cause it rocks  
You make me crazy, crazy like a fox

Come on honey, take my hand  
'Cause we're out of here  
I'm gonna take you home with me  
I'm gonna whisper in your ear

Come on, make it quick  
Oh, mama, hit me with your rhythm stick  
It's magic time  
But I don't play no tricks

Oh baby, come on  
You know I want to get it on  
You must be a guitar player  
The way you're stringing me along

Oh babe, you're gonna wreck my mind  
And I hope you do it all the time  
I'm gonna knock you out of your socks  
You make me crazy, crazy like a fox

You've been doin' it all the time  
You know I love you, love you lots  
Crazy like a fox

You're gonna wreck my mind  
And I hope you do it all the time  
I love you're body, I know it rocks  
I know you're crazy and you're a fox  
'Cause you wreck my mind
