## "Dirty Love"

Visit "[Dirty Love](#)" on MotoLyrics.com

I could use some dirty love  
You can't abuse my dirty love

That's what I need  
To satisfy my greed  
Come on over with your dirty love

I want to taste some dirty love  
Don't want to waste your dirty love

Whatever you got  
You bet your life, I want the lot  
I want to grab your dirty love

Like this

I gotta have your dirty love  
I gotta have your dirty love

I'll show you the way  
To dirty love all night, all day  
I'm gonna treat you to dirty love

Right now

Right now, right now, right now  
Right now, right now, right now  
Right now, right now, right now  
Right now, right now, right now
