All men know what waits for us
Wooden box, worm and dust
Maybe Heaven, pearly gates
Hasty prayer when it's too late

Burn in hell, all is lost
Purgatory, fingers crossed
Which or who? Yours or mine?
Eternity's a long, long time

Never mind, never fail
Right this time on the nail

Never mind, never mind
Never mind, never mind

No remorse, no remorse
No remorse, no remorse

You know it well, confess it now
Christian guilt is what's allowed
Other words are heresy
Burn forever, one two three

What can you do? No guarantees
Hopeful begging on your knees
All in all, you're going down
Winged sinner or singed clown

Never mind, never fail
Right this time on the nail

Never mind, never mind
Never mind, never mind

No remorse, no remorse
No remorse, no remorse

Repent ye fool, God will hear
Christmas carol, midnight clear
Otherwise pits of fire
Punishments for base desire

Satan waits, goatee beard
Long old tail, nasty spear
If you believe these tales they tell
Then you deserve to burn in Hell

Never mind, never fail
Right this time on the nail

Never mind, never mind
Never mind, never mind

No remorse, no remorse
No remorse, no remorse
