Don't you touch me baby 'cos I'm shaking so much
Don't you touch me baby 'cos I'm shaking so much
Don't you touch me baby 'cos I'm shaking so much
Don't you touch me baby 'cos I'm shaking so much

You know there ain't no other woman that can make me
feel this way

(Don't you touch me baby 'cos I'm shaking so much)

Gets up close you know, I just ain't got a word to say

(Don't you touch me baby 'cos I'm shaking so much)

Please don't touch, I shake so much

Please don't touch, I shake so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much

You know I get so nervous when I see his eyes that
shine

(Don't you touch me baby 'cos I'm shaking so much)

When he gets too close and a chill runs down my spine

(Don't you touch me baby 'cos I'm shaking so much)

Please don't touch, I shake so much

Please don't touch, I shake so much

Well, I don't know why she's got her claws in me

'Cause I ain't fighting baby, can't you see?

Sneaking up the stairway, running like a thief

Spend the night just shaking like a leaf

Oh, I remember the first time I took her to a cheap
motel

(Don't you touch me baby 'cos I'm shaking so much)

Woke up drunk, you know I felt like Eskimo Nell

(Don't you touch me baby 'cos I'm shaking so much)

Please don't touch, I shake so much

Please don't touch, I shake so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much

Don't you touch me baby 'cos I'm shaking so much
