(Whoo-who...  
Whoo!)

There comes a time in your life  
When you got to stand up.  
Reach for the sky,  
Don't lose stride  
'Cause you can't give up, no?

There'll be some fakers,  
There'll be haters,  
Oh, you'll see, yeah...  
When it gets hard  
Just remember  
You are the one they see, hey-ah!

You're a burning star,  
You give light to all.  
Rising through the dark,  
The brightest of all!  
Just keep on shining,  
Keep on rising.  
Remember, you are a burning star...

(Whoo-who...  
Whoo!)

Yes, you've got the fire,  
The strength to soar higher,  
Higher and higher...  
You've got all it takes to hold on to faith.  
You will be stronger!

There'll be some fakers,  
There'll be haters,  
Oh, you'll see, yeah!  
When it gets hard  
Just remember  
You are what they wanna be, hey-yeah!

You're a burning star,  
You give light to all.

Rising through the dark,  
The brightest of all!  
Just keep on shining,  
Keep on rising.  
Remember, you are a burning star.

You're a burning star,  
You give light to all.  
Rising through the dark,  
The brightest of all!  
Just keep on shining,  
Keep on rising.  
Remember, you are a burning star...

(You're a star you're a star, you're a star, you're a star...  
You're a star, you're a star, you're a star, you're a  
star...)

C'mon!  
Don't let them deny it, (Deny it!)  
'Cause they are all liars. (Liars!)  
You are a star, (Star!)  
Keep reaching higher!

Don't let them hold you, (Hold you!)  
They don't even know you... (Know you!)  
They just wanna break you down  
'Til you give up!

Make those misleaders (Yeah!)  
Into believers.  
Follow your dreams,  
The world is your kingdom.  
I said go...  
It's yours... (C'mon!)  
Go!

You're a burning star, (Yeah!)  
You give light to all.  
Rising through the dark,  
The brightest of all!  
Just keep on shining,  
(We got to) Keep on rising.  
(Oh-woah!) Remember, you are a burning star!

You're a burning star, (Star!)  
You give light to all.  
Rising through the dark, (Ah-am!)  
The brightest of all!  
Just keep on shining,  
Keep on rising.

Remember, you are a burning star... (Yeah-eh!)
