(not complete)

I don't care
I don't mind
If you've gone and found somebody else
well that's alright
I wish you well
I hope you life
and some way will find the satisfaction that I found

and I don't need to buy excuses
anymore than you got juices
in my life

I won't hear you calling
This time I'm walking away
Boy there's no in between
Now you made your choice
I guess it's over boy
I'm really gone to stay

*I'm gonna gain
got a second chance
now I can hold my head up high and spread my broken
wings
I can fly
any day or night
'cause I don't need to be around an empty well that's
dry

and I don't need to buy excuses
anymore than you got juices
in my life

I won't hear you calling
This time I'm walking away
Boy there's no in between
Now you made your choice
I guess it's over boy
I'm really gone to stay

See I live (oh I live)
To love my life (yeah)
And I've learned to take away
The deepest hurt inside (inside)
The positive (oh), is what I found
To take me to the higher ground

I won't hear you calling
This time I'm walking away
Boy there's no in between
Now you made your choice
I guess it's over boy
I'm really gone to stay
