I've only begun to fight - Natalia
She wants me out of the action
She's coming hard
But this ain't the end of the battle
It's just the start
I will not fold under fire
Im holding my spot
She waits back on the bottom
Ill be on top
Ive only just begun to fight
You aint seen nothing yet
Ive just begun to fight
To prove Im the love of your life
Im gonna kiss every doubt from your lips baby
Ive only begun to fight
Its more than just knowing you want it
Its knowing how bad
To keep it you got to be on it
With all that you have
She thinks that shell be the victress
She should think twice
Cause Im in this game to the finish
And I wont play nice
Ive only just begun to fight
You aint seen nothing yet
Ive just begun to fight
To prove Im the love of your life
Im gonna kiss every doubt from your lips baby
Ive only begun to fight
Youll find every woman you need right here
I wont let you forget what you got
Just getting hot!
Ive only just begun to fight
You aint seen nothing yet
Ive just begun to fight
To prove Im the love of your life
Im gonna kiss every doubt from your lips baby
Ive only begun to fight
Don't count me out
Ive only begun to fight
Don't count me out
Ive only begun to fight
