An imouna stin alli meria tou kosmou  
tha me perimenes gia na girisso?  
An iha kani ena megalo lathos tha me sinhorouses,  
tha m'afines!  
an iha kati pou me provlimatize tha me voithouses, I den th' antehes?  
ke an sou elega oti s'agapo, tha mou eleges oti m'agapas?

Ehis to kouragio gia agapi?  
To dinami gia alithini agapi?  
To logo messa (?) gia na iparho na iparho an me agapas

I am sorry (sad) I am unable to translate the Turkish part ...

kathe fora pou ithela na matho  
an aftes tis skepsis pernagan se sena  
eklina ta matia ke se onirevomouna  
k' eperna to maxilari gia t'aroma sou.  
Evaza idees messa sto mialo mou  
me mono mia ikona dipla sto krevati k'epeza tin idia mono erotisi  
an pragmatika ehis...  
"if you really have ..."

ehis to kouragio gia agapi?  
Ti dinami gia alithini agapi?  
To logo messa gia na iparho na iparho an me agapas
