Think(think)
Think(think)
Think about it
Think about it
You think
You think
Think about it(think)

You better think (think)
Think about what you're tryin' to do to me
Think (think-think) let your mind go
Let yourself be free

Let's go back - let's go back
A let's go way on to way back when
I didn't even know you
You couldn't been too much more than ten (just a child)

I ain't no psychiatrist
I ain't no doctor with degrees
But it don't take too much I.Q.
To see what you're doing to me

You better think (think)
Think about what you're tryin' to do to me
Yeah, think (think-think)
Let your mind go, let yourself be free

freedom (freedom)
Oh freedom (freedom)
Oh freedom
Oh freedom (yeah)

freedom (freedom)
Oh freedom (freedom)
Oh freedom
Oh freedom (yeah)

Hey! think about it
You! think about it

There ain't nothin' you could ask
I could answer you but I won't (I won't)
But I was gonna change ya, I'm not
If ya keep doin' things I don't (don't)

You better think (think)
Think about what you're tryin' to do to me
(What you're tryin' to do to me)
Oh-oh-oh think (think)
Let your mind go, let yourself be free

People walk around everyday
Playin' games and takin' scores
Tryin' to make other people lose their mind
Well, be careful you don't lose yours

Ooh think (think)
Think about what you're tryin' to do to me
Yeah, think (think)
Let your mind go, let yourself be free

You need me (need me)
And I need you (don't cha' know)
Without each other
There ain't nothin' we two can do

Ooh yeah, think about it, baby
Nonono, it goes, Baby
Think about it right now

Oh Freedom(freedom)
Oh Freedom(freedom)
Oh Freedom
Oh Freedom

Oh Freedom(freedom)
Oh freedom(freedom)
Oh freedom
Oh freedom

Hey! think about it
You! think about it

There ain't nothin' you could ask
I could answer you but I won't (I won't)
But I was gonna change ya, I'm not
If ya keep doin' things I don't (don't)

You better think (think)
Think about what you're tryin' to do to me
(What you're tryin' to do to me)

Oh-oh-oh think (think)
Let your mind go, let yourself be free

You need me (need me)
And I need you (don't cha' know)
Without each other
There ain't nothin' we two can do

Oooh yeah, think about it, baby
Nonono, Think
Think about it right now

You better think
Think about it baby
I even changed your mind

You better think
Think about it babe
Think about it babe
