"Too Late"

I see my picture on you're wall
You said you'd taken it down uhu uhu
Is that my number on speed dial?
Guess it's taking you awhile uhu uhu
You go around like were done
But weve only begun
Tell the truth to yourself
You might as well
If it's too late
Why are we talking on the telephone?
If it's too late
Why do I always get to take you home?
If it's too late
If we are over
Should be colder
Youre not walking away
Why do you stay
Is this the way you say goodbye
You should try a little harder uhu uhu
Cause your drivin me insane
Your convictions always change uhu uhu
You go around
Like were done
But weve only begun
Tell the truth to yourself
You might as well
Stop pretending were breaking up
We should be trying to make it up
Don't you know what you mean to me
Don't play me too much
Enough is enough
Its too late too late
