You give all you got  
You drink 'til you drop  
Shoot 'til you're shot, amen

You bang and you brawl  
Creep when you crawl  
Fuck 'til you fall, amen

Yeah, yeah, yeah, yeah, yeah

I said, oh  
Well I only wanna take you home  
I just wanna take you home  
Baby give it to you 'til the moon meets the sun  
And we're still not done

No, I ain't gonna lie to you  
That's something I don't do  
Baby give it to you 'til the moon meets the sun  
And we're still not done, no

I got girls on the bus  
I spit when I cuss  
Don't give a fuck, amen

I smoke 'til it hurts  
Piss in the dirt  
Hands up her skirt, amen

Yeah, yeah, yeah, yeah, yeah

I said, oh  
Well I only wanna take you home  
I just wanna take you home  
Baby give it to you the moon meets the sun  
And we're still not done

No, I ain't gonna lie to you  
That's something I don't do  
Baby give it to you 'til the moon meets the sun  
And we're still not done

No, I said no  
I said no, no, no, no

I said no  
I only wanna take you home  
And I just wanna take you home  
And baby give it to me 'til the moon meets the sun  
And we're still not done

No, I ain't gonna lie to you  
And that's something I don't do  
And baby give it to you 'til the moon meets the sun  
And we're still not done, no

Amen, amen, amen
