

New Medicine "End Of The World"

Visit "[End Of The World](#)" on MotoLyrics.com

I hear the countdown,
Am I the only one?
Is it in my head,
Four, Three, Two, ONE!

Yeah
Yeah
Yeah

Every morning,
Los Angeles,
Sun is shining on dreams of the hopeless.
California, burn it to the ground,
Lets see the ashes all fall down!
Someone give me somethin I can scream out loud!

(Chorus)
Lets go crazy, waiting on the big show,
Lets go crazy, everybody let go!
What if there is no tommorow?
For you and me baby, here we go girl.
Party til the end of the world!
The end of the world

I'm holding your hand, we're in the front row,
Stars are falling, and I'm never gonna let go
Sound the warning, if you only knew,
I'll be okay as long as I've got you.
Someone give me something I can scream out loud!

Lets go crazy, waiting on the big show,
Lets go crazy, everybody let go!
What if there is no tommorow?
For you and me baby, here we go girl.
Party til the end of the world!
The end of the world

Tick tock times up, gonna let a bomb drop,
Tell a lie say goodbye, Tell me when it all falls down!

Lets go crazy, waiting on the big show,
Lets go crazy, everybody let go!

What if there is no tommorow?
For you and me baby, here we go girl.
Lets go crazy, waiting on the big show,
Lets go crazy, everybody let go!
What if there is no tommorow?
For you and me baby, here we go girl.
Party til the end of the world!
The end of the world.
Party til the end of the world.
The end! The end! The end! The end!
Party til the end of the worlddddddddddd
