Yeah you hit me with your nightstick.
Yeah you cut up all my clothes.
Lay here drunk until I get sick.
Lay down why can't I let go?

When I go back it all goes black I feel the comatose.
It hurts so bad I can't hold back gently I should go.

I've been laid off I've been laid on
I've been shaken ever since you left and
I've been laid on I've been let down
I can't get free since you laid on me.

(hey, hey)
Laid on me
(hey, hey)
Laid on me.

You were led on a bed of roses.
Now I'm sucking on the thorns.
Lay low drowning in my sorrow
I'm just a sucker for somemore.

When I go back it all goes black I feel the comatose.
It hurts so bad I can't hold back gently I should go.

I've been laid off I've been laid on
I've been shaken ever since you left and
I've been laid on I've been let down
I can't get free since you laid on me.

(hey, hey)
Laid on me
(hey, hey)
Laid on me.

The question is still and screaming
Go back where my heart's still beating.
And right next to you I'm dreaming
Every night!

Night night night.

Night night night.

I've been laid off I've been laid on
I've been shaken ever since you left and
I've been laid on I've been let down
I can't get free since you laid on me.

(hey, hey)
Laid on me
(hey, hey)
Laid on me.
(hey, hey)
Since you laid on me
(hey, hey)
Laid on me
