Inside

All the secrets are held inside
Where the hot black river runs
When I gaze upon you face

And love

And the hand in the burning flame
A debt of the blood to pay
To betray or not betray

Turn turn the dance goes on

Silver the secret moon
Sooner or later
One of us will break and say what we must not say

Eyes

A room full of watching eyes
In the second before we smile
Always I see your smile

Turn turn the dance goes on

Silver the secret moon
Sooner or later
One of us will break and say what we must not say

Turn turn the dance goes on

Silver the secret moon
Sooner or later
One of us will break and say what we must not say
Say what we must not say

Empty the streets and the clock strikes three

Closing our eyes for the kiss on the cheek
Walking away not glancing behind
To say what we must not say
Say what we must not say

Turn turn the dance goes on

Silver the secret moon
Sooner or later
One of us will break and say what we must not say
