Christ in Me
The hope of glory
Christ in me
My shelter from the storm
Should men of evil have their day
Or should the earth's foundation sway
But none of these can take away
The living Christ in me
The Desire of all nations
Is the Rock of my salvation
Jesus Christ, the King
Of Heaven stands with me
Christ in me, the hope of glory
Christ in me, my shelter from the storm
Should men of evil have their day
Or should the earth's foundation sway
None of these can take away the Living Christ in me
The Hope of Glory
Christ in me, my shelter from the storm
Should men of evil have their day
Or should the earth's foundation sway
None of these can take away the living.....
Christ in me, the hope of Glory
Christ in me, my shelter from the storm
Should men of evil have their day
Or should the earth's foundation sway
None of these can take away the living Christ in me
On Christ the solid Rock I stand
All other ground is sinking sand
All other ground is sinking sand
None of these can take away,
The living Christ in me
The living Christ in me.
