Whatever I do and wherever I am  
all I can think of is youuu  
not a single thing feels sad for your heart  
'cause all I can think of is youuu

daaaapapapaaaaa  
dapapaaa  
papapaaaaa

when I am awake and when I am asleep  
all I can think of is youuu  
the weeks have turn to days and the days turned to  
hours  
'cause all I can think of is youuu

It doesn't matter if the sun is shining  
our if the rain is pouring down  
I can not get you out of  
you're always on my mind

you and me go wild together  
in all kinds of weather  
you and me go wild together  
in all kinds of weather  
we are good for each other

Whatever I do and wherever I am  
all I can think of is youuu

not a single thing feels sad for your heart  
'cause all I can think of is youuu

daaaapapapaaaaa  
dapapaaa  
papapaaaaa

when I am awake and when I am asleep  
all I can think of is youuu  
the weeks have turn to days and the days turned to  
hours  
'cause all I can think of is youuu

It doesn't matter if the sun is shining  
our if the rain is pouring down  
I can not get you out of  
you're always on my mind  
we are good for each other

you and me go wild together  
in all kinds of weather  
you and me go wild together  
in all kinds of weather  
we are good for each other
