People think that I'm not doing well that I dream too  
much  
(what to do what to say)  
I've been trying to please everyone else but myself and  
it's time to say that..  
That I don't want to be somebody else  
I just don't want to be somebody

and I just want to be myself again  
I just don't want to be somebody else  
if you want me you take me as I am  
I can tell you that I'm not going to..

Change??  
no no no no  
it's so hard to believe that even you want me to change  
and become somebody that I'm not.  
but I don't want to be somebody else  
I just don't want to be somebody.

and I just want to be myself again  
I just don't want to be somebody else  
if you want me you take me as I am  
I can tell you that I'm not going to..

change....  
No no no no...  
want to be myself again.

now it's the time gotta tell me right now  
if you want me to stay got to say it somehow

cuz I don't want to waste anymore of my time  
I don't care what you say you will always regret

now it's the time gotta tell me right now  
if you want me to stay got to say it somehow

cuz I don't want to waste anymore of my time

I don't care what they say I'm going to make it  
somehow.

and I just want to be myself again  
I just don't want to be somebody else  
if you want me you take me as I am  
I can tell you that I'm not going to change...
